

SISSS00002 Abseiling Guide Single Pitch Natural Surfaces

Course Delivery

The course is delivered via our web-based on-line learning in conjunction with face-to-face training sessions in the field, a flexible blended learning environment.

The course content focuses on key skills that develop your knowledge so that you can successfully plan and deliver an outdoor recreation activity. This may include developing skills in risk management, navigation, weather interpretation, environment factors, health and safety, emergency response and overall planning skills in a wide range of work environments.

These are all completed in the context of your selected activities and the online theory component of all courses

The face-to-face training and assessment is conducted in various locations throughout Australia and is based upon demand. The activity calendar is regularly updated, (every 3 months) to reflect current enrolments. The calendar is on-line allowing students to view and select their own training/ assessment sessions within their course time frame.

Course Overview

Course Duration maximum timeframe 3 months (NB: could be completed earlier)

Outdoor Training College

A division of Above & Below Adventure Company Pty Ltd | PO Box 749, Windsor, NSW 2756

"without risk we may not grow" | info@outdoortrainingcollege.com.au | outdoortrainingcollege.com.au | 02 45790677

Log Books

Documented and verifiable work experience/ practice sessions for the activities associated with your course **MUST** be logged and are required as they form an integral part of the assessment process

Commencement of subject or course

A subject or course is deemed to have started if the "start of study date" has passed and the delivery of the course has commenced. On-line delivery is said to have commenced if the course is open in the on-line environment for the individual student, this is automatic once appropriate fees have been paid.

RPL (Recognition of Prior learning) / Credit transfer

RPL and or Credit transfer is available and you must meet the criteria associated with this process. Regardless of the assessment pathway undertaken the pricing structure remains the same

We GUARANTEE that if you ENROL we will RUN YOUR SELECTED COURSE- even if you are the ONLY PARTICIPANT!

Note: If you are the only participant, Face-to-Face training will be in the Sydney region. All other components are completed on-line. Enrolment is required before you can book any of the training/ assessment dates

Skill Set Units of Competency

Total of 15 units of competency required to complete this Skill Set

Activity Specific units

These units of competency are required to obtain the Skill Set

Core Units of Competency

E-Learning (web-based online component)

SISOODR302A	Plan outdoor recreation activities
SISOODR303A	Guide outdoor recreation sessions
SISOOPS201A	Minimise environmental impact
SISOOPS304A	Plan for minimal environmental impact
SISOOPS306A	Interpret weather conditions in the field
SISXCAI306A	Facilitate groups
SISXEMR201A	Respond to emergency situations
SISXOHS101A	Follow occupational health and safety policies
SISXRSK301A	Undertake risk analysis of activities

Activity Specific units of competency

These are practical face-to-face units, and include practical training and / assessment to a maximum of 4 days.

Should you be deemed not yet competent after that time additional fees may be applicable.

SISOABN202A	Safeguard an abseiler using a single pitch rope belay system
SISOABN303A	Apply single pitch abseiling skills on natural surfaces
SISOABA304A	Establish ropes for single pitch abseiling on natural surfaces
SISOABN305A	Guide abseiling on single pitch natural surfaces
SISOVTR301A	Perform vertical rescues

HLTAID003 Provide First Aid - Pre-requisite

Documented and verifiable work experience or logged practice session will be required and forms an integral part of the assessment process (approximately 30 hours are required for this skill set)

Pre- Requisite for all courses

First Aid - This must be a current first aid certification;
Note: CPR is renewable every 12 months to keep your "Provide First Aid" current- the Provide First Aid is renewable every 3 years - This is a requirement outlined by Safe Work Australia

Pathway

These units provide a credit towards Certificate III in Outdoor Recreation
